Thursday	7:00pm	Wycombe Rye Lido – coached outdoor pool swim (all abilities)
Saturday	10:45am	Holy Trinity School Marlow – Bike/run and transition sessions
	2:00pm	Windsor Great Park - Bike/run and transition sessions

Bookings MUST be made via GymSync - [Book today!](#)

BIKE/RUN SESSION @ WINDSOR - The session takes place on the green by the Crown Estate Office. Please note the Crown Estate have requested that **NO CARS** are driven into Windsor Great Park. Please therefore park either in the car park at Cranbourne Gate or Rangers Gate and walk in to Windsor Great Park

Please note we may sometimes have to use another location because of events in the park. We will of course notify you beforehand.

PARKING

Parking at Wycombe Rye Lido is 50p for 2 hours. You MUST put in your car registration number otherwise it's a £90 fine!

Parking at The Centre is free.

Parking for sessions at Windsor Great Park: please note it is a condition of us having a permit to coach the juniors at the Park that **we must NOT drive/park in the Park**. Free parking is available at Rangers Gate or Cranbourne Gate, and walk a few minutes to our meeting point.

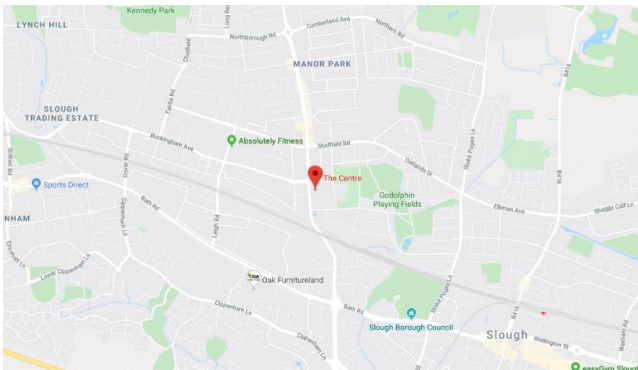

DOGS – Please note your dogs do not form part of the training session. Some children are scared of dogs regardless of how well trained they are. Dogs that are not on leads can cause accidents and interfere with the delivery of the coaching. If you are dropping off children and do bring a dog it must be kept on a lead at all times near the children and then removed from the area once you have dropped them off.

Any changes to the training schedule will be posted on our EVO Junior Triathlon Club Facebook Page, so please make sure you check the page before leaving for a session.

If you have any questions, please do not hesitate to contact **Kevin Wallace**, Club Chairman/Head Coach on **07780 994772**. We look forward to seeing you at a coaching session soon
